McCormick Brings Passion to Flavour™ 125 The flavour of Together

岩FUTURE OF GLOBAL FLAVOUR

Marking our 125th year as a flavour innovator, McCormick is embarking upon a yearlong journey that celebrates the power of flavour. At the heart of this celebration is our belief that the ways we experience and enjoy flavour connect people and cultures around the world.

This anniversary edition of our signature Flavour Forecast, first created in 2000, identifies the insights and ingredients on the rise that will drive the future of flavour. Created by a global team of experts at McCormick—including chefs, culinary professionals, trend trackers and food technologists—it uncovers stories of flavour, cuisines and techniques inspiring creative and delicious innovations for years to come.

Join us for a taste of 2014! We hope you'll share your flavour story at www.flavouroftogether.com.

These insights reflect emerging trends and key cultural influences that are shaping the tastes of tomorrow. Together, they tell an exciting story about how people everywhere are coming together for more diverse, colourful and flavourful meals than ever before.

"Chillies are a really exciting spice—that delicious burning sensation in your mouth prompts warm, energetic, adventurous feelings and all sorts of positive emotions. That's why chilli fans love them so much, and why they're always seeking that next chilli thrill." —Silvia King, Sensory Scientist

"In Szechuan province, people eat chillies in nearly every meal, whether at street kiosks or high-end restaurants. Chillies are everywhere!"

THE WORLD IS CRAVING HEAT IN A BIG WAY.

BEYOND JUST DISCOVERING NEW CHILLI VARIETIES, THIS OBSESSION HAS EXTENDED INTO USING TECHNIQUES LIKE GRILLING, SMOKING, PICKLING, FERMENTING AND CANDYING TO TEASE OUT THEIR FLAVOUR POTENTIAL.

"Indian is influencing a wide range of dishes, restaurants and TV cooking shows. In the UK and South Africa—where Indian fast casual food is as common as a pizza—we're seeing local favourites taking on modern twists. This can be as simple as adding a blend of masala to marinate venison. Meanwhile, people in the U.S. are exploring Indian flavour profiles in approachable everyday fare such as salads and sandwiches." —Chef Steve Love, United Kingdom
